

MyEducation BC – Getting Started with the Family Portal

Families will receive an automated email when your parent account has been created. Please check your spam or trash folder for an email from sysadmin@myeducation.gov.bc.ca.

If you do not receive your account information please email SD54's MyEducationBC support team: myed54@sd54.bc.ca

Logging into MyEducation BC for the first time:

1. Open the email containing your username and password.
Note you must have an internet connection to sign in

To Access the MyEducation BC System

1. Visit www.myeducation.gov.bc.ca/aspen
2. Make sure popups are enabled for your browser
3. Your user name will be: sdarcy
4. Your temporary password will be: gaol642SIDE

NOTE: Both user name and password are case sensitive

5. Enter your user name and password then click Log On to access the system. You will be prompted to change your password, and fill out some information so that in the future you can click "I forgot my password" to receive a new password.

Once inside the MyEducation BC system you can navigate around to view information for your student(s).

*** Please do not reply to this generated email.

2. Visit www.myeducation.gov.bc.ca/aspen (bookmark this site!) and enter the username and password provided in the email and click Log On.

3. Your password will immediately expire and prompt you to change it.

The screenshot shows a dialog box titled "Password Requirements" with a red error message: "Your password has expired. Please create a new one." with an "OK" button. Below the dialog, a form with a yellow background is highlighted with a red border. It contains three password input fields: "Current Password", "New Password", and "Confirm New Password", each with a masked password of eight dots. At the bottom are "OK" and "Cancel" buttons.

- a. Enter the password provided in the email as your current password
- b. Enter a new unique password:

A box titled "Password Requirements" containing a list of rules:

- Minimum length is 8
- At least one number
- At least one capital and lowercase letter
- At least one symbol that isn't a letter or number
- Can't contain 'password', login name, first name, middle name, last name, date of birth, personal id, or only sequential letters or numbers

4. Update security preferences to allow for self serve "I forgot my password" recovery.
Note step is not optional

The screenshot shows a "Security Preferences Update" form with the instruction: "To enable self serve password recovery, please provide the following information". The form fields are highlighted with a red border:

- Primary email: email@email.com
- Security question: What city were you born in? (dropdown menu)
- Security answer: masked with eight dots
- Confirm answer: masked with eight dots

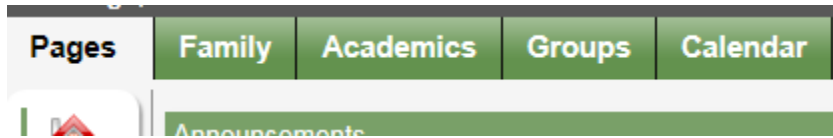

Buttons for "Submit" and "Cancel" are at the bottom.

- a. Enter email address
- b. Select security question
- c. Enter security question answer
- d. Confirm security question answer

Your login set-up is now complete!
